**18P/142. Planning Applications:**

- **S/3172/18/FL** - Change of use and conversion of existing two-storey barn to a residential dwelling (C3) and garage, Church Lane Farm, Church Lane, Cottenham. Standing Orders suspended 7.34pm. Applicant ran through previous reasons for refusal and amendments. Ecology assessment now provided and north end filled in as per comments from Stephen Kelly at SCDC. Proposing to use PV slates. Standing Orders reinstated 7.40pm. CPC recommends approval. **APPROVED.**
- **S/2728/18/FL** - Demolition of B8 Industrial units and erection of 9 residential units, Unit F2, Industrial Estate, Broad Lane, Cottenham. Noted that a different approach taken to the design. Still could be a noise issue and traffic from the industrial estate. Three storey terrace in the middle is overbearing in terms of height and mass and is out of keeping. Drainage - the ditch alongside the site is unadopted and therefore discharging into it will be difficult. Need more evidence that the warehouse was marketed at the correct value and we don't want to lose an employment site (contrary to NP). As per the independent AECOM assessment for the NP, there is no requirement for 4 bedroom properties - smaller 1/2 bedroom houses are required. AECOM also ruled the site out as being suitable for housing. Parking is remote from the properties and we have concerns regarding highway safety. CPC recommend refusal. **REFUSED.**
- **S/2281/18/RM** - Approval of reserved matters for access, appearance, landscaping, layout and scale following Outline planning permission S/1606/16/OL for the erection of up to 121 dwellings, formation of a new vehicular and pedestrian access onto Oakington Road and associated infrastructure and works, Land at Oakington Road, Cottenham (Persimmon) (AMENDMENT: See covering letter and change of description). NB: Paperwork not received from SCDC. Drainage – surface water and foul water drainage info lacking and noted condition made by Sustainable Drainage Engineer. Concerns re. lack of permeability of roads and run off to Oakington Road. Affordable housing still clustered and not pepperpotted through the site despite comment by Urban Design Officer. Unhappy with carparking arrangements – still too many fronting properties. Landscaping too dense around edge of site. Query whether the emergency access is viable or deliverable. Police concerns regarding security at the far end of the site haven't been addressed. CPC recommends refusal. **REFUSED.** Recommendation to go to Committee should Officer be minded to approve.
- **S/2081/18/FL** – Change of use of part of the site to residential with the conversion of the existing building to residential use and the provision of hard-standing and a shed building, The Orchards, Beech Road, Cottenham (AMENDMENT: landscaping). Previous comments still stand. CPC recommends refusal. **REFUSED.**
