

# Cottenham's New Village Hall & Nursery

A great venue with car parking overlooking the King George's Field at the Recreation Ground

**BUT do we want it now?**

**HAVE YOUR SAY (every resident!)**

## Why?

Apart from being too small, tired, inflexible, disability-unfriendly, energy-inefficient, the current structure only has a limited life

## Why now?

Further delay will increase costs:

- building costs are increasing
- interest rates are rising from near-zero

## What will it cost me?

For most, less than £1/week on your home's Council Tax,

- a bit more if you have a bigger house
- less, maybe nothing, for smaller ones

## What will I get from it?

- a much better Village Hall with more and better facilities
- if you cannot use today's hall – a good, disability-friendly one
- if you have young children – improved pre- and post-school facilities
- if you have very young children – an all-year-round, all-day nursery
- a large venue with kitchen and car-parking for a party or wedding reception
- improved facilities for social club and older residents' day care
- somewhere to hold a business meeting or conference with full WiFi

**Is a new Hall & Nursery worth £1/wk on each home's Council Tax?**

**No?**

**Yes?**

Comment (optional)

.....

**Please put your X in one box only**

**Then return (no more than one per person please) to us as overleaf**

**RETURN BY Monday 19<sup>th</sup> December 2016 please!**
